The BLM has reviewed the reclamation cost estimate submitted today, August 2, 2012, by Utah Minerals Recovery, LLC, for the Knolls Magnesium Chloride Plan of Operations serialized U-89021. BLM concurs with the financial guarantee amount of \$53,773. The financial guarantee should be provided to the BLM Utah State Office, Solid Minerals Adjudication.

The revised closure cost estimate for the Knolls facility. Keith Price will give you a call shortly to discuss.

Thanks for everything.
